### INNOCENT MAN SENT TO PRISON

Robber Confesses to Crime and His Victim Will Be Given Liberty.

Ogden, Utah, Dec. 30.—Court records here bear out the confession of Edward Hoeven, in Chicago, who says that he held up George Smith, a clerk in an Ogden hotel a year ago and secured \$90.

Later he learned that the clerk had been sentenced to eight years in prison for the theft of the money.

The matter preyed on Hoeven's conscience to such a degree that he gave himself up to Chicago.

Hoeven will be brought here and steps will be taken for the release of Smith.

### Train Saved By Action of Brakeman.

Lexington, Ky., Dec. 30.—The quick action of a brakeman saved 200 passengers on the Florida Limited of the Cincinnati, New Orleans & Texas Pacific Railroad from death early to-day when the train struck a split switch while approaching the high bridge over the Kentucky river. Six persons were injured but all will recover.

The brakeman threw on the air brakes as soon as he felt the train bumping over the ties and the train stopped just in time to escape going over Tigh bridge into the Kentucky river, 300 feet below.

The matter preyed on Hoeven's conscience to such a degree that he gave himself up to Chicago.

Hoeven will be brought here and steps will be taken for the release of Smith.

SCALP TAKEN OFF IN MILL.

Victim is 23 Years Old and Has Three Children.

Mrs. Bessie Hasell was completely scalped when her hair caught in a speeder in the card room of the Mollohon mill at Newberry, recently, and there are meagre hopes of saving her life. She was at work when her hair caught in a set under the machine cleaning off the screw on the revolving top comb, the hair winding around the comb and jerking off the entire scalp. Four doctors are with her.

Mrs. Hasell is about twenty-three years old. She is a daughter of Mrs. Troutman.

She has been married twice and has three small children.

The mill authorities state it is positively against orders to undertake to clean the machines or to get under them while running. The injury inflicted is one of the most horrible imaginable.

Prof. Cook, of Little Rock, spent Saturday in Dillon.
